

GPG: GENERAL PROCESS GROUP Suggested Timeline for 4-Session Format:

Learning Objectives:

The attendee will be able to:

1. Identify the phases of group development and the leader's role in each phase.
2. Identify one's role in the group and those of others
3. Define and apply such concepts as transference, resistance, content versus process and termination.
4. Describe key process interactions in the group.
5. Identify the existence and impact of, as well as possible ways to productively work with visible and invisible differences, including but not limited to class, race, gender, gender expression, religion, physical ability, and age.
6. Recognize leader behaviors that facilitate the group process.
7. Identify approaches to addressing termination.

DAY 1 [Times noted are suggested, not required; similarly, moving through the stages is expected to differ depending on the leader and the group]
